**FIRE SPRINKLER PROJECT DESIGNER  
NEW YORK, NY**

**Company Background**

Code Consultants, Inc. (CCI), a privately held and internationally recognized fire protection engineering and life safety consulting firm, is seeking professionals to join our New York City office.

Founded in 1973, CCI is an industry leader, providing a diverse range of crucial fire protection and life safety consultation and design services including but not limited to:

- building and fire code consulting
- life safety consulting
- hazardous materials analysis
- accessibility consulting
- information and communications technology
- fire sprinkler design
- fire alarm design
- mass notification design
- fire and egress modeling

CCI's experienced and trained team of over 80 professionals consist of fire protection engineers, architects, civil/mechanical/electrical engineers, code officials, members of the fire service, and technicians. At CCI we value our team members and continuously strive to provide a great culture, career and personal development opportunities.

As a privately held firm, CCI's management team is fully responsible for the strategic direction of the firm and successfully manages growth by maintaining a stable organizational structure, consistent professional service products across our offices, and applying objective performance-based compensation.

**Role**

As a member of the CCI team your responsibilities will include:

- Designing fire sprinkler systems for multiple projects, involving concept development, design documents, coordinating with design team and officials, shop drawing review, construction administration, etc.
- Collaborating with CCI team members and clients, and interfacing with Building/Fire Officials
- Providing support to project managers

**Qualifications**

Ideal candidates will possess the following:

- Minimum 1 year fire sprinkler system design/consulting experience
- Working knowledge of AutoCAD and Revit software
- Ability to solve technical and functional problems utilizing critical thinking, thorough research, and open communication
- Possess good organizational and communication skills; be capable of understanding client needs; prioritizing and coordinating work; making informed decisions; and executing quality work

**Compensation**

CCI offers an excellent compensation package with an objective performance-based bonus program and benefits (including 401(k) with matching contributions, health, dental, vision, life and disability plans).

**Contact**

Interested and qualified candidates may send resumes to CCI's Human Resources Department at [HR@CodeConsultants.com](mailto:HR@CodeConsultants.com).
