

**PROJECT DESIGNER (SPRINKLER)**

**Company Background**

Code Consultants, Inc. (CCI), a privately held and internationally recognized fire protection engineering and life safety consulting firm, is seeking professionals to join our St. Louis, MO office.

Founded in 1973, CCI is an industry leader, providing a diverse range of crucial fire protection and life safety consultation and design services including but not limited to:

- building and fire code consulting
- life safety consulting
- hazardous materials analysis
- accessibility consulting
- fire sprinkler design
- fire alarm design
- mass notification design
- fire and egress modeling

CCI's experienced and trained team of over 80 professionals consist of fire protection engineers, architects, civil/mechanical/electrical engineers, code officials and members of the fire service. At CCI we value our team members and continuously strive to provide a great culture, career and personal development opportunities.

As a privately held firm, CCI's management team is fully responsible for the strategic direction of the firm and successfully manages growth by maintaining a stable organizational structure, consistent professional service products across our offices, and applying objective performance-based compensation.

**Role**

As a member of the CCI team your responsibilities will include:

- Designing multiple projects, involving concept development, design documents, shop drawing review, construction administration, etc.
- This position may involve travel throughout the US and Canada.
- Collaborating with CCI team members and clients, and interfacing with Building/Fire Officials.
- Participating in business development initiatives to expand and develop CCI services.
- Participating in the growth and development of the St. Louis office, and CCI as a whole.

**Qualifications**

Ideal candidates will possess the following:

- A technical degree or comparable industry experience.
- 1 – 5 years of related industry experience.
- Knowledge of AutoCAD or Revit.
- NICET Level II certification in Sprinkler Systems is a plus.
- Excellent written and verbal communication skills.
- Be motivated by growth opportunities for themselves and CCI.
- Passion for providing the highest level of services to CCI clients.

**Compensation**

CCI offers an excellent compensation package with an objective performance-based bonus program and benefits (including 401(k) with matching contributions, health, dental, vision, life and disability plans).

**Contact**

Interested and qualified candidates may send resumes to CCI's Human Resources Department at [HR@CodeConsultants.com](mailto:HR@CodeConsultants.com).
